Tractors, Diggers and Dozers A Picture Book For Kids: A Childhood Education Science Book About Tractors, Diggers & Bulldozers Lilley Light

'Tractors, Diggers and Dozers - A Picture Book For Kids, includes Tractor History, Diggers, Bulldozers / Dozers and Excavators' and is a non-fiction introduction to the wonderful world of heavy equipment. Apart from the great photographs within this book, Lilley Light presents the humble beginnings of the Tractor and provides an historical summary that is easy for children to appreciate and absorb. Tractors, Diggers and Dozers - A Picture Book For Kids is the perfect learning tool for children. For those younger ones with a fascination for the machines they see working in their local neighborhood there are lots of pictures to enjoy. For those a little older there are descriptions of the mighty machines and how they have developed over the years. So who is this book for? Anyone who is interested in, or fascinated by, those large machines that help us build, farm, mine and repair things. In particular, this book is intended for parents who want to share the learning process with their children and wish to read to their younger aged children or for older children wanting to read for themselves. There are lots of photos to look at as you read through this book to help understand the meaning of the words – “a picture is worth a thousand words” as they say, making it easier to understand and retain the information presented.
