An exploration of the borders between the United States, Canada, and Mexico on an unreliable Russian Ural motorcycle with sidecar becomes a comedy of breakdowns in small towns all around America. This four-month, 10,000-mile adventure spans moments of blissful backroads freedom, cultural connection, and roadside romance—interrupted by cracked welds, electrical gremlins, evil tow-truck drivers, tornadoes, and hurricanes. From British Columbia to the Blue Ridge, Boquillas to Beverly Hills, this is an intimate exploration of the United States and its neighbors.
