What starts out as a fun way to make a little beer money turns into something more, as the scenes they film get hotter and hotter, and their feelings for each other get deeper and more complicated.

Richie has been harboring a secret from his friends: he's been gay for a while now.

Mark is straight and starting to wonder why he is enjoying making this gay porn film so much.

And Tony... well Tony just wants to fuck!

As they film hot scenes all over town in all sorts of combinations, they find other willing participants: Jarred and Kody.

This video is ABOUT TO ROCK THE PORN FILM INDUSTRY and the rest of their lives!
