Mercy's Fate *The Submission of Melody* M. M. Napolitano

This is a novel of explicit erotica focusing mainly on the sensual submission of a woman to the affections of a Dominant man. This work includes graphic depictions of extreme sexual contact, domestic discipline, and corporal punishment. All sexual scenarios contained within represent the interactions of adults, and are consensual in nature. NOT INTENDED FOR SALE TO MINORS. FOR THE ENJOYMENT OF ADULTS ONLY! Melody is a pretty housewife, a little on the chubby side, whose husband of twenty years has forgotten that she exists. He has had several affairs in the last few years, treating his wife more like a housekeeper than a soul mate. Melody works with a man named Marcus, and has been having some intense sexual fantasies about him ever since they met. Marcus is a sexual Dominant who enjoys teasing and shocking his female co-workers with tales of his exploits with "submissive" women. What he doesn't know is that Melody, the shy quiet woman who works next to him, has been longing for him to make her one of those submissive women! One day Melody accidentally expresses her desire for him out loud. Marcus responds by sweeping her up in a whirlwind of sex, spanking, and submission. As the story progresses, Marcus and Melody become more romantically involved as their attraction to each other grows beyond the physical. Enjoy!
