This must-have book guides you through the intricacies of the Series 65 exam. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions and liberally sprinkles practice questions, designed to reinforce concepts, throughout the book. Totally rewritten to reflect the latest Series 65 exam, this book is divided into the same four sections as the exam, with a quiz, including answers and rationales, following each section. A handy glossary, as well as index, makes the book a useful quick reference as well. Once you've finished this book, you will be able to take the test with confidence!
