Romances (Everyman's Library)

William Shakespeare

Romances (Everyman's Library) William Shakespeare

William Shakespeare's last four plays carry us across space and time—from classical antiquity to Roman Britain to pagan Sicily to a remote island—and they move as well into a wilder geography of the imagination, one dominated by the wondrous and fantastical, and by reconciliation and renewal. *Pericles*, *Cymbeline*, *The Winter's Tale*, and *The Tempest* are famously fraught with shipwrecks and adventures, magic and disguise, speaking statues and ethereal spirits, tragic deceptions and moving reunions, and they number among the most enduringly delightful of Shakespeare's works.

The texts of the plays, authoritatively edited by Sylvan Barnet, are supplemented here with textual notes, a bibliography, a detailed chronology of Shakespeare's life and times, and a substantial introduction in which acclaimed scholar Tony Tanner discusses each play individually and in the context of Shakespeare's oeuvre.
