Solos For Flute Collection 4: American Melodies To 1865 Clark Kimberling

These 45 early-American melodies work especially well on the modern flute. They provide excellent material for developing skills in rapid tonguing, phrasing, and extended breath-control. Many of these melodies have roots in the Old World. For example, La Cachucha, La Cracovienne, and La Smolenska were brought to America by the amazing ballerina Fanny Elssler. (For her White House performance, Congress adjourned early!) A separate recorder edition is available.
