All proceeds go to Pediatric Cancer Research with a matching grant from the Ready Or Not Foundation. The Royal Fables is a labor of love dedicated to the children and families dealing with pediatric cancer every day. The five stories in this book are based on ideas from some of those in the Texas Children's Hospital, as are many of the drawings. These are inspirational tales, full of adventure, bravery, honor and magic. For the author, it was a joy to meet with these children and an honor to work with them. RONF has contributed over 2 million dollars to TCH to date.
