A brand new stand-alone historical romance from the Avelynn series! It's the year 871. Charges of treason, murder, and witchcraft follow Avelynn into exile as she flees England with Alrik. Arriving in Wales, they find refuge among Alrik's friends in the Welsh nobility. Cast out by his half-brothers, Alrik seeks to regain his honor and earn favor with the gods. When war threatens, Alrik embraces gold and the opportunity for his crew to become mercenaries, aiding the Southern Welsh kings in their fight against Rhodri the Great. Desperate to return home, Avelynn seeks to find a way to prove her innocence, but she is pitted against Alrik as their desires for the future clash. With battle looming, Avelynn's faith in their relationship is further tested through a bitter struggle with Marared, a jealous lover from Alrik's past. Marared's threats turn deadly, and Avelynn runs afoul of magic and sorcery, causing her to question her beliefs and role as priestess. When Avelynn and Alrik are betrayed, Avelynn is captured and Alrik is charged with regicide. The two become separated, a chasm of greed, deceit, and ambition driving them apart. In an act of harrowing faith, Avelynn will stop at nothing to find her way back to Alrik and break them both free from Wales's bloodthirsty grasp.
