With his incomparable photographs of the Maldivian Islands, Michael Friedel, one of Germany's leading photojournalists, has made the breathtaking beauty of these jewels of the Indian Ocean famous throughout the world. His aerial views of the Maldives have given a new perspective of their home to the islanders themselves. On the 10th anniversary of the Maldivian independence his pictures were used in a series of postage stamps. For over twenty years Michael Friedel has been taking photographs of these tropical atolls on land, under water and from the air. This volume contains a selection of his finest work.
