Following *The Game and the Governess* comes the second novel in the witty, sexy Winner Takes All series of Regency romances from Kate Noble, the writer behind the wildly popular, award-winning web series *The Lizzie Bennet Diaries*.

Clerk John Turner thought only of winning a bet when he switched places with his friend, Lord Edward Granville, at a country house party. But while posing as a lord, he fell for a lady—the Countess Letitia! Now she's learned the truth, and he must win her back as plain John Turner. He'd better hope that love truly conquers all...

Lady Letty was publicly humiliated when it came out that she had fallen for the man, not the master. When she meets him again, she's determined to avoid him, but some things are too intoxicating to be denied. Letty knows what choice she must make to survive, but if she turns her back on her dashing rogue—again—will she lose her chance at love forever?
