Since high school, a slew of good press made Taj Maxwell a household name long before he became a superstar. Years later, the tide has turned and the same media that made him is out to break him with the help of his ex-wife, and the looming allegations may cost him a plum position with the league.

Dominique Houghton always hoped one day her best friend Taj would be a part of her happily ever after. Her heart broke the day she discovered his girlfriend was expecting his child. Keeping her feelings to herself, Dominique moved on--until she catches his now-ex dishing the dirt on *Pro Wives*, a reality show that has made his ex a celeb in her own right, and at his expense.

Although Taj hurt her years ago, Dominique believes there's more to the story his ex is painting. She decides to investigate the matter... but the sparks that ensue might end up being a little too hot to leave on the cutting room floor.
