"Macmillan's Interactive Science for CSEC[registered] CD-ROMs" each contain 16 topics. Within each individual topic are: Animations; Multiple Choice exercises; True or False questions; Drag & Drop activities; Comprehension Check; Word games - a crossword or word-search; and, Explanations to show why answers are correct or incorrect. The CD-ROMs feature a Markbook function which enables students to record their progress as they work through the various practise activities. All of the topics come with audio explanations and commentaries which have all been recorded in the Caribbean. Each CD-ROM has been specifically developed to aid students preparing for the CSEC examination in science subjects. The animations, games, audio and interactive practice exercises will provide students with engaging and stimulating resources to assist their studies in secondary science. The topics available on the CD-ROMs are those identified as the most challenging within the CSEC syllabi, and those which students need further practice and reinforcement to help their learning and retention of ideas and concepts. Within each topic students will find a variety of exercises, with over 350 combined Multiple Choice, True or False and Drag & Drop activities on each disc. In addition, there are animations and an audio comprehension check activity. A Word Search or Crossword Puzzle on each CD-ROM provides a fun review for students. The Markbook function enables students to keep track of their progress as they work through the different exercises. Parents or teachers may also want to use this function to monitor their student's learning. Students will be see their exercises marked instantly and helpful feedback is provided for each question to explain why answers are correct or incorrect. "The Interactive Science for CSEC[registered] CD-ROMs" are perfect for self study and encouraging learner independence. They can also be used by teachers on interactive whiteboards, with projectors or in computer labs to provide students with additional practice in a fun and stimulating format.

From reader reviews:

Matthew Siller:

As people who live in typically the modest era should be revise about what going on or information even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by examining books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what type you should start with. This Interactive Physics for CSEC is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Dennis Byrd:

Now a day individuals who Living in the era where everything reachable by connect to the internet and the resources inside can be true or not demand people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the answer then is reading a book. Reading through a book can help folks out of this uncertainty Information mainly this Interactive Physics for CSEC book because book offers you rich information and knowledge. Of course the information in this book hundred per-cent guarantees there is no doubt in it you probably know this.

John Valdez:

Why? Because this Interactive Physics for CSEC is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Jon Estrada:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you will have done when you have spare time, subsequently why you don't try thing that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Interactive Physics for CSEC, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its called reading friends.
