Don't wait for some other time start planning now.

The Whites' award-winning, how-to book, *Live Your Road Trip Dream* is now released in its second edition after a very successful three printings of the first edition. Due to the popularity of road tripping, but not just amongst the retired set, the Whites have included expanded coverage of topics of interest to the younger generation.

Today's younger generations aren't waiting until retirement to hit the road says Phil, they want to do it now if they can figure out how. With our expanded sections on sabbaticals, working on the road and road-schooling for children, we've covered many of the topics that we get asked about frequently.

And the Whites do get asked often. As National Spokespersons for the Recreation Vehicle Industry Association, they speak at such prestigious conferences as AARP's Life@50+, and attend national conventions like The Good Sam Club's Great North American RV Rally, and talk to the press frequently as experts on road tripping. The Whites are also frequent guests on TV and radio and have been featured speakers for AAA in their home state of Oregon.

Live Your Road Trip Dream is more than an inspiring adventure, more than an information-packed how-to guide to help you turn your personal travel dream into reality it is the ultimate handbook to turn your wanderlust into action.
