Jimmy and Angella find themselves on a special assignment from the President: Find the security breach within the highest level of the government. Track down the rest of the terrorists involved in the A-bomb plot before they can carry out their plan. Keep the bomb (or bombs) from exploding. And keep it all quiet. In this sequel to the Padre Puzzle, author David Harry takes us on a ride with more twists and turns than Pikes Peak. As they pull on loose threads the pair are led deeper into the twists of the plot, and find themselves pulled from South Padre Island to other parts of Texas, Washington D.C. and Mexico. With each pull, it becomes increasingly more uncertain as to who is really pulling the strings and who can be trusted. They soon suspect that they are pawns in a game that they might not be able to win. JIMMY REDSTONE / ANGELLA MARTINEZ THRILLER
