Vessels: A Love Story

Daniel Raeburn

Vessels: A Love Story Daniel Raeburn

An unforgettable portrait of a marriage tested to its limits.

When Dan, a writer with a passion for underground comics, and his wife Bekah, a potter dedicated to traditional Japanese ceramics, met through a mutual friend, they swiftly fell in love. “Of all the women I’ve ever met,” Dan told a friend, “she’s the first one who felt like family.” But at Christmas, as they prepared for the birth of their first child, tragedy struck.

Based on Daniel Raeburn’s acclaimed *New Yorker* essay, *Vessels: A Love Story* is the story of how he and Bekah clashed and clung to each other through a series of unsuccessful pregnancies before finally, joyfully, becoming parents. In prose as handsomely unadorned as his wife’s pottery, Raeburn recounts a marriage cemented by the same events that nearly broke it.

Vessels is an unflinching, enormously moving account of intimacy, endurance, and love.
