Coffee Dolce & Gabbana

The first cup of coffee was brewed in Arabia nearly one thousand years ago, and people have been celebrating the joys of java ever since. Coffee bars are now commonplace in many cities, but the aura of the coffee culture remain anything but common. These four eye-opening images extol the pleasures of coffee in its many forms: the excitement of espresso, the charm of cappuccino, the magic of mocha, and the beauty of beans themselves. The back of each elegant cards offers tips for ideal brewing and storage, definitions of the many and varied forms of coffee, and--since poets have been singing the praises of this delectable beverage for ages--a pertinent poetic quotation. (12 notecards, 12 envelopes, 3 each of 4 images, 5 x 5")
