Mission Statement: Since 1999, the mission of Infovets has been to provide the resources that allow the individual owner and producer to provide superior health care for their animals. To accomplish this mission the following services are provided: 1. Animal reference manuals in printed, CD, and online form - · Each Canine, Feline, Equine, Beef, and Dairy Manual is written exclusively by veterinarians. · Professionals who are closely associated with each animal species are being utilized as consultants (nutritionists, farriers, extension agents, breeders, individual producers, etc.). 2. Updates - · Never outdated - each manual is updated annually. 3. Animal health database - · A completely searchable and hyperlinked database with reference articles hand selected by our veterinarians. 4. Consult-A-Vet · Ask Questions directly to our veterinarians. 5. Discussion Group · Compare notes and ideas with other owners, producers, and experts within each field.
