Owen Burnett planned on a quiet, easygoing Christmas, hanging out with his best friend and neighbor, Gabby Michaelson. So when his mom pressures him to come home for the holidays, he tells a little white lie...that he's spending the holidays with his new girlfriend. But when his family shows up unexpectedly, Owen pulls the best friend card and asks Gabby to play his fake girlfriend.

Gabby's been hopelessly in love with her best friend Owen for what feels like forever, but playing his "fake" girlfriend when the entire boisterous Burnett clan visits is easier said than done. The more she tries to deny the attraction between them, the more obvious their chemistry becomes. But even though she's not the only one feeling it, putting their friendship on the line is a risk she can't take.
