Sandra Cisneros's the House on Mango Street (Bloom's Modern Critical Interpretations)

Harold Bloom, Sandra Cisneros

Sandra Cisneros's the House on Mango Street (Bloom's Modern Critical Interpretations) Harold Bloom, Sandra Cisneros

Compared to the works of James Joyce and Virginia Woolf, "The House on Mango Street" is made up of lyrical passages, interconnected vignettes, and meditations and observations that resemble prose poems. Cisneros' structurally and thematically bold work explores the often-violent coming of age of a young Mexican-American woman. This new title in the "Modern Critical Interpretations" series analyzes the work through full-length critical essays, and features a bibliography, notes on the contributing writers, a chronology of the author's life, an index, and an introductory essay by esteemed critic Harold Bloom.
