Scotland: The Story of a Nation

Magnus Magnusson

Scotland: The Story of a Nation Magnus Magnusson

Drawing on a great deal of modern scholarship that has redefined the nation's story, Magnus Magnusson vividly re-creates the fascinating history of Scotland, offering the most up-to-date and comprehensive history available today. Magnusson, who received an honorary knighthood for his contributions to the preservation of Scotland's heritage, casts the nation's historical trajectory as a long struggle toward nationhood. He explains the roots of the original Scots and examines the extent to which Scotland was shaped by the Romans, the Picts, the Vikings, and the English. He casts a sober eye on the many deep-seated myths that have developed over the years, assessing their sometimes-questionable credibility while still fully appreciating their importance to the people of Scotland. In addition to this cultural history, Magnusson offers a detailed account of the political and economic forces that shaped the nation's fate. Packed with colorful stories, bloody battles, vicious political intrigues, and a rich pageant of historical characters, it is essential reading for anyone interested in the history of this fascinating land.
