U.S.S. Stevens: The Collected Stories

Sam Glanzman

U.S.S. Stevens: The Collected Stories Sam Glanzman

Legendary Golden Age artist Sam Glanzman set many of his tales aboard the USS Stevens, the actual World War II destroyer on which he served. This full-color, hardcover treasury collects every single Stevens tale he ever published, more than 60 short adventures from Our Army at War, G. I. Combat, and other 1970s DC war comics as well as longer pieces from Marvel's 1986 revival of Savage Tales magazine and the more recent Joe Kubert Presents. Plus, this outstanding collection also includes the final, four-page story about the warship, newly written and illustrated by Glanzman himself.
