Tessa's relationship with her mother was never good, but after her dad suffers a stroke, she comes home to run the family business. She's changed over the years. Gone is the frumpy bookworm. Now Tessa is confident, beautiful, and sexy. Mitch, Rance, and Sam Collins can't believe their eyes when they see the new girl in town and are shocked to find out it's Mitch's best friend Brad Walker's little sister. They all know right away that she is the one for them and slowly develop a relationship. But a stalker's after Tessa. She decides that it's best to go back to Seattle to protect the people she loves, plus Rance is holding back due to something in his past. Can three hot cowboys convince Tessa that love is more important and bring her back home? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
