A woman scorned is a dangerous woman. Greer Patterson always felt like an outsider. Loathed by her step mother and half siblings for being the green eyed, fair skinned product of her black father's affair with a white woman; she's never truly felt loved by anyone except her father and husband Michael. When Greer's life as she knows it comes crashing down after discovering her husband's torrid affair, she decides to take matters into her own bloody hands. Soon, after sending Michael to his untimely death and framing his mistress, she begins feeling something she's never felt before...powerful. Now, with a new found confidence and the freedom, if she can stay out of jail, she's determined to stop anything and anyone from standing in the way of true love again!
