**Are you tired of fear ruining your life? Do you ever wonder how much you have missed out on?**

Whether you want to (1) have solid strategies for overcoming fear, (2) be confident, or (3) just start truly living again, **this book** will teach you **everything** you need to know.

**Put an end to nervous panics, sweaty palms, and uncontrolled thoughts.**

Wouldn't it be great to be able to approach the obstacles in your life without anxiety and fear holding you back? Wouldn't you be thrilled to stop the constant doubts and fears that continually harass you in those certain situations? Even though this may seem impossible at this very moment, it is *indeed* possible. It won't happen overnight, but if you begin today to practice the key tactics I describe in this book, there is every reason in the world to embrace with confidence the knowledge that you will be able to master your fear.

**Put fear in its proper place.**

Your mind is a marvelous tool. You can use it to your advantage to short-circuit the fear in your life. In this book you will learn valuable psychological "tricks" that can actually fool your fear into letting go. These powerful tools, when used daily, will begin to diminish your fear, and over time crush it out of existence.

**Use your personal strengths to your advantage.**

When you face your fear on a regular basis, it builds incredible **strength and character** within you. In this book I will show you how to build up your internal resources so that you will have the courage to face your fears. The more you do this, the less power your fear will have over you.

**Be prepared to fight back in those key situations.**

You will discover specific strategies that you can use beforehand to strengthen your resolve and **remove fear from your mind**. With these strategies, you will know exactly what to do the next time panic rears its ugly head. There's nothing like a fear preparedness response plan to build your confidence so that you can move forward with what needs to get done. Train yourself when you're calm so that you will automatically respond with powerful anxiety-reducing tactics whenever your fear is triggered.
