As a pupil, I exactly feel bored to be able to read. If their teacher expected them to go to the library as well as to make a summary for some e-book, they are complained. Just very little students that have reading's spirit or real their passion. They just do what the professor wants, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case.
