Of Love and Desire

Louis de Bernières

Of Love and Desire Louis de Bernières

Of Love and Desire is a rich collection of love poems from Louis de Bernières, written over a lifetime, and capturing its many forms—from rapture, infatuation, urgency, to sorrow, heartache and disillusion. Poetry was de Bernières' first and greatest literary love, a passion evident in the musicality and emotion of his poems, which are full of stories and the truth of lived experience. This, his second collection, bears the mark of many influences, from the classical Persian poets, to Neruda, to Quintus Smyrnaeus, to Brian Patten. Beautifully illustrated by Donald Sammut, this is an indispensable companion on the lover's journey.
