How should I know? I know, because although I have been working as an SAP Finance/Hana consultant for many years, I have myself recently certified with the latest version of the Certification test.

Before you start here are some Key features of the Certification Exam.

This certification exam verifies that the candidate has the knowledge required in the area of SAP Simple Finance.

This certificate builds on basic consultant skills and experience that is then refined by practical experience during several projects.

For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers.

You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).

Clearing the Certification will not automatically lead you to a job.

However a Certification with some project experience will certainly open a lot of doors for you.
