Forgiveness is a powerful gift that you give to yourself.

If forgiveness were always simple and straightforward, there would be no need for this book. While the act of forgiving is a choice, it seldom occurs as an immediate response to being wronged. Most of the time, forgiveness is a process that involves awareness of the pain that one suffers and acknowledgment of the effects of the wrong on our life. This book will teach you world class strategies to let go of the pain of the past so you can focus with **happiness and clarity on the present**. You will receive practical actions that you can easily practice each day to continue towards forgiveness and a life of true freedom.

Forgiveness is not the same as condoning wrongdoing.

We can forgive without setting ourselves up for further wounding. Forgiveness is the process of releasing ourselves from bondage to the wrong that was done to us. We refuse to let the other person hold our happiness captive forever! At the same time, forgiveness gives heed to the warning you have received, while also setting up effective countermeasures to prevent the same wrong from occurring again in the future.

Forgiveness frees you to live in the present.

Life is so much better when you have a plan and strategies in place to fight back against the past and to choose to live in the present.
