"... an enjoyable float through well-crafted phrases, appealing cadence, and expressive emotion. Akesson shares truths about life and love in a way that reflects modern life and is embraceable by modern audiences". -- Lauren Victor for Feathered Quill Book Reviews. A journey of love, awareness and transformation The poems in Love's Thrilling Dimensions are written to stir the heart and soul. They seek to search for a connection between memory, thoughts, feelings, sensory experience and reality. They explore such universal themes as the longing for love, the awakening of wonder, the magic of encounters, the uniqueness of journeys, the ambiguity of a few existential questions and the different changes that can occur in the inner and outer landscapes. The readers witness mostly the alchemy, power and triumph of love in a transforming and spiritual journey of discovery and are invited to contemplate its significance in their own lives.
