## **Web-Based Training Cookbook** Brandon Hall

A multimedia training expert shows how to use the Web to design and build effective training courses

This book shows corporate trainers and business managers how to use the Web to train employees and improve their performance. It shows how the Web can supplement or replace traditional training methods for employees and customers, focusing on the best methods for designing and creating Web training content. CD-ROM includes full code for the best examples of each type of training Web pages shown in the book. The author will also maintain a Web Site providing up-to-date information on Web-based training and development topics.
