British Idealism: A History W. J. Mander

W. J. Mander presents the first ever synoptic history of British Idealism, the philosophical school which dominated English-language philosophy from the 1860s through to the early years of the following century. Offering detailed examination of the origins, growth, development, and decline of this mode of thinking, *British Idealism: A History* restores to its proper place this now almost wholly forgotten period of philosophical history. Through clear explanation of its characteristic concepts and doctrines, and paying close attention to the published works of its philosophers, the volume provides a full-length history of this vital school for those wishing to fill a gap in their knowledge of the history of British Philosophy, while its detailed notes and bibliography will guide the more dedicated scholar who wishes to examine further their distinctive brand of philosophy. By covering all major philosophers involved in the movement (not merely the most famous ones like Bradley, Green, McTaggart, and Bosanquet but the lesser known figures like the Caird brothers, Henry Jones, A.S.Pringle-Pattison, and R.B.Haldane) and by looking at all branches of philosophy (not just the familiar topics of ethics, political thought, and metaphysics but also the less well documented work on logic, religion, aesthetics, and the history of philosophy), *British Idealism: A History* brings out the movement's complex living pattern of unity and difference; something which other more superficial accounts have tended to obscure.

From reader reviews:

Rebecca Esquivel:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like studying a book? Sometime, particular person feel need book after they found difficult problem or maybe exercise. Well, probably you will need this **British Idealism: A History**.

Harriett Costello:

Reading can called head hangout, why? Because if you find yourself reading a book mainly book entitled **British Idealism: A History** the mind will drift away trough every dimension, wandering in each aspect that maybe unknown for but surely can be your mind friends. Imaging each and every word written in a e-book then become one application form conclusion and explanation this maybe you never get previous to. The **British Idealism: A History** giving you one more experience more than blown away your mind but also giving you useful facts for your better life on this era. So now let us show you the relaxing pattern is your body and mind are going to be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

James Ritchey:

Is it you actually who having spare time subsequently spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This **British Idealism: A History** can be the reply, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Debra Heffner:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this **British Idealism: A History** can make you truly feel more interested to read.
