Federal Agent (Violators: The Coalition) (Volume 3) Nancy Brooks

My name is Damien Reynard; I'm a Federal Agent. I've worked hard for this life. I'm good at what I do. I honor and cherish my badge, my fellow agents, my superiors. I do what I have to do in order to succeed, and every victory brings me closer to living the dream. I dream of being a normal Human man, with a normal Human life. There is only one thing that has ever stood before me and normality: My nemesis. My enemy. The man who killed me. Eric LaSalle is one of the most ruthless assassins in the world. A highly skilled sniper, LaSalle can put a bullet in someone's head and disappear before the police can even make a guess on where he was perched. Only I can sense him. I smell him. I feel his presence within my essence. I know he senses me, as well. What we didn't sense was the Milesian Army's growing power and ability to capture us both. Nor did we sense the moment when we'd both fall in love with the same woman, and have to combine efforts to keep her safe from the soldiers who are now determined to hunt us down like dogs and contain us in the newest and most secure M.A. facility ever built. I dream of being a normal Human man, but I'm not. I'm a Shifter with a badge.
