#### **Virginia White:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach

Chinese's country. So , this My First Book of Coloring Vegetables & Fruits can make you sense more interested to read.
