The second edition of **NCLEX-RN Review Made Incredibly Easy!** is designed to help student nurses prepare for the NCLEX. Cartoons are used to explain the NCLEX-RN process, and familiar characters from the **Incredibly Easy! Series(TM)** help make preparing for the NCLEX more enjoyable. Each chapter is organized in a similar way, beginning with the review of crucial information and key concepts. Every area of nursing is covered, including adult care, psychiatric care, maternal-neonatal care, child care, and professional issues. The professional issues section is new to this edition, and includes chapters on management, leadership, and legal and ethical issues. 250 new questions are included on CD-ROM, bringing the total number of questions to over 1,000. A calculator feature has been added to the CD-ROM to conform with the April 2001 test plan. Appendices include information on the gerontological client, a guide to abbreviations, information on state boards of nursing, and NANDA taxonomy.
