The Art of Destiny Bungie

Timed to the release year of the game, *The Art of Destiny* showcases the stunning art and design behind one of the most highly anticipated new franchises in gaming today.

From the mysterious dunes of Mars to the jungles of Venus and the abandoned aerospace installations on the Moon, *Destiny* takes players across the ancient ruins of our solar system on their quest to defend Earth's last city and become legend. To build this expansive universe, the team at Bungie drew from a multitude of inspirations—from classic fantasy and science fiction worlds, the myth-meets-technology adventure of space operas, and the ornate design of medieval drapery juxtaposed with modern architecture—all of which combine to create a world uniquely imagined down to the smallest detail. *The Art of Destiny* is a celebration of the dynamic art at the heart of the game, featuring hundreds of pieces of concept illustrations, cinematic imagery, early sketches, and world-building graphic design. Covering the meticulous artistic development behind each class, vehicle, weapon, and environment, this lush and comprehensive overview explores the game's sweeping world, grand scope, and vibrant visuals. © 2014 Bungie, Inc.
