Yorkshire from the Air Jason Hawkes

England's largest county is also, in the view of many, its most beautiful - a richly varied landscape with its rugged northern moorland, the rolling chalk hills of the Wolds, and the homely hills and valleys of the Dales. It is also rich with glorious stately homes like Castle Howard and Burton Constable, medieval abbeys and castles like Rievaulx, Fountains, Bolton and Richmond, and historic towns like York, Scarborough and Harrogate. In this marvellous collection of aerial photographs Jason Hawkes has captured the magic of Yorkshire, urban and rural, in all its majesty.
