Battleships: 1900 to Today (Weapons of War (Smart Apple Media)) Steve Crawford

This engaging title provides readers with a comprehensive overview of how battleships have been used in military combat around the world. The title begins with a discussion of battleships, their importance and use in battles, and how this has changed over time. This section is followed by almanac-style entries that highlight featured battleship models throughout history, including specifications and performance statistics, and contributions in battle.
