Clinical Audit and Epi Info

Antony Stewart, Jammi Rao

Clinical Audit and Epi Info Antony Stewart, Jammi Rao

This book is designed to enable and encourage health professionals and family support workers to include fathers in the process of their work. It focuses on the enormous potential value of accessing men at a time they are known to be particularly receptive - before and after the birth - within the context of providing solutions in the debate about problematic aspects of masculinity and fatherhood. It looks at how important the father's role is within the family environment and how fathers should be encouraged to take part in the upbringing of their children.
