**Quick Course in Microsoft PowerPoint 97 (Education/Training Edition)** Joyce Cox, Polly Urban  
Focusing on PowerPoint '97, this is one of a series of step-by-step computer books suitable both for self-training and for classroom use. After dealing with the basics, it uses a simple presentation to cover the AutoContent Wizard, working with text, sorting slides, and getting help. Other topics include printing overheads and presenter's notes, running an electronic slide show, adding visual appeal to presentations, developing more sophisticated presentations, adding clip art, and importing graphics from other sources.
