River House: A Memoir (Tin House New Voice) Sarahlee Lawrence

An exquisite blend of memoir and nature writing, River House is one young woman's story about returning home.

An exquisite blend of memoir and nature writing, River House is the story of a young woman returning home to her family's ranch and building a log house with the help of her father. An avid river rafter, Sarahlee Lawrence grew up in remote central Oregon and, by the age of twenty-one, had rafted some of the most dangerous rivers of the world as an accomplished river guide. But living her dream led her back to the place she least expected?her dusty beginnings and her family's home. River House is a beautiful story about a daughter's return and her relationship with her father, whom she enlists to help brave the cold winter and build a log house by hand. Together, they work through the harsh winter, father helping daughter every step of the way.
