## **The Geronimo Breach** Russell Blake

The Geronimo Breach is a breakneck-paced thrill ride that pits the world's most unlikely protagonist against the deadliest adversaries on the planet. From the corridors of Langley to the sweltering jungles of Panama, from the hills of Pakistan to the cocaine trails of Colombia, a clandestine scheme to preserve a terrible secret goes horribly awry, plunging a reluctant hero down a deadly rabbit hole of deceit and betrayal, while raising disturbing questions about the media, the war on terror & its linkage with the war on drugs, & the nature of reality in an age of sound-bites and photo ops. Albert Ross is a malingering misanthrope - a boozing, chain smoking philanderer; shifty, lazy, cowardly, going to fat, & more prone to doing the wrong thing than any man alive. His purgatorial existence working for the State Department in Panama gets shattered when a routine errand becomes a race against the clock, battling adversaries for whom no price is too high to protect a secret that could topple the world order. As the body count climbs in a struggle without rules, Al must face his own demons, as well as the myriad very real ones intent upon destroying him. The unexpectedly shattering conclusion of this richly drawn thriller is both topical & chillingly plausible, making for a roller-coaster action/adventure without parallel.

#### **Carmen Pinto:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Geronimo Breach can make you truly feel more interested to read.
