There are 23 million divorced people in the United States today. More than 80 percent of these people will remarry, and many of those marriages will fail. Divorce recovery experts Edward Tauber and Jim Smoke draw on their 30 years of experience as divorce counselors and a survey of more than 600 individuals to explore why people end up divorced again and what they can do to successfully remarry.

To help readers avoid making the mistakes others have made, the authors present 13 wrong reasons to remarry, including:

- loneliness
- need to be needed
- to provide fathers or moms for kids
- to prove the divorce wasn't their fault
- they've found their "soul mates"

Tauber and Smoke provide practical guidelines based on biblical principles to help people find partners who share values, have compatible personalities, agree on child-raising principles, and more. Includes helpful "Ready2Remarry" self test.
