Italy's Three Crowns: Reading Petrarch, Dante, Boccaccio

Italy's Three Crowns: Reading Petrarch, Dante, Boccaccio

Italy has made innumerable contributions to world history and culture, but few rank higher than the “Tre Corone,” or Three Crowns: Dante, Petrarch, and Boccaccio. *Italy's Three Crowns* offers a groundbreaking examination that investigates the massive impact of these three artists and the evolution of their legacy over the centuries.

Dante looms largest of the three, as his *Divine Comedy* infiltrated every aspect of Renaissance life, from the university classroom to the pulpit to daily street conversations. Petrarch and Boccaccio worked, meanwhile, in the shadow of Dante’s legacy, Baranski and McLaughlin reveal, even as they forged their own monumental contributions to poetry and the arts. The volume concludes by examining how British scholars and artists have dealt with the legacies of the Three Crowns over the last two hundred years.

The authors focus in particular on Dante’s influence on British scholarship and art, which runs from his role in nineteenth-century aesthetic and religious debates to his influence on the creations of contemporary artist Tom Phillips. The book also discusses the efforts of key scholars in disseminating Dante’s oeuvre, including the Rossetti family and Paget Toynbee, the leading Dante scholar of the late nineteenth and early twentieth centuries. A uniquely comprehensive study, *Italy's Three Crowns* will be of interest to all scholars of Renaissance literature and art.

Margaret Holt:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to

reach Chinese's country. So , this Italy's Three Crowns: Reading Petrarch, Dante, Bocaccio can make you really feel more interested to read.
