My Dog Ate My Homework! (REVISION) Bruce Lansky

My Dog Ate My Homework is the first collection of Bruce Lansky's own poetry. This book helped make Lansky's reputation as a consistently entertaining poet with a unique voice and style. His poems are about someone named "I" or "me" who so resembles the readers, their siblings, friends, parents, pets, and teachers – they think Lansky is writing about them.

In this book, Lansky introduces us to:

- a "too friendly" dog who should be using Scope
- a teacher who resembles her students in her avoidance of homework
- a kid who thinks his cat isn't smart because it won't come when called and won't shake, beg or fetch
- a young "Romeo" who "climbed up the door and opened the stairs" after his first kiss
- a youngster with a looth tooth who tellth a painful thtory about a bike cwath
- kids who start wishing their horrible old cook would come back after a new gourmet chef is hired
- two sibliings would like their parents to know about each other

Lansky also offers a practical lesson on how to delay your bedtime and a sure cure for thumbsucking.

This book also includes several, charming fill-in-the blank poems perfect for morning announcements on the school P.A. plus some generic New Year's resolutions you can use in a pinch.

Because Lansky's poetry is about them, kids find it hilarious – and don't be surprised if reading this book puts a smile on your face, too.
