Delicate seduction in extravagant poses, concentrated eroticism with exclusive models immersed in modern black and white - and on a white background true to the original style - what more could a man want? These photos invite you to linger and dream and stimulate viewer fantasy at the same time. This is precisely the skill and charm of a professional photographer - to let the models look as natural as possible and still manage to elicit and capture the crackling eroticism in pose and mimic. These are more than just great photos - produced in the so-called high key photography style, consciously kept black and white on a white background, they let the models appear even more sensual and erotic and leave a lasting impression on the viewer. Relax and enjoy...Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
