## **The Corpsewood Manor Murders in North Georgia (True Crime)** Amy Petulla

In 1982, Tony West and Avery Brock made a visit to notorious Corpsewood Manor under the pretense of a celebration. They brutally murdered their hosts. Dr. Charles Scudder and companion Joey Odom built the "castle in the woods" in the Trion forest after Scudder left his position as professor at Loyola. He brought with him twelve thousand doses of LSD. Rumors of drug use and Satanism swirled around the two men. Scudder even claimed to have summoned a demon to protect the estate. The murders set the stage for a trial vibrant with local lore. Author Amy Petulla uncovers the curious case that left two men dead and the incredible story still surrounded by controversy, speculation and myth.
