The First Book of Ayesha-She & Ayesha: The Return of She H. Rider Haggard

All four classic novels of She-who must be obeyed-in two special volumes

Rider Haggard's fantastic tales out of Africa have few peers. His first novel of She is possibly one of the best known and has become one of the most popular novels ever. Yet She is just the first of four exciting adventures of mysticism, intrigue, love, war and power that feature the beautiful and immortal Ayesha. The first two novels collected in this special Leonaur volume, the first of a two book set of all four novels, are She and Ayesha, the Return of She. Both feature Cambridge professor Horace Holly and his ward Leo Vincey. The third novel, in the second volume, unites two of Haggard's most beloved characters-Allan Quatermain-the little, indestructible consummate 'white man in Africa'-trader, explorer and big game hunter and of course Ayesha herself in what is essentially a prequel to She. The final novel in volume two is Wisdom's Daughter. Of course all four novels are, true to the Haggard tradition, roller-coaster rides of action and thrills a-plenty to please his many aficionados. Available in soft cover and hard cover with dust jacket for collectors.
