Beware the venomous viper. This book will take readers along on the hunt with the viper as it uses its great snake senses and fatal fangs to kill its prey. Lively text keeps readers engaged as color photographs bring readers to the vipers hunting grounds. Freaky facts about diet, anatomy, behavior, and life cycle will excite readers and keep them reading. The book also includes a description of the vipers super senses, including its ability to sense heat in its environment to catch its prey. This is one snake hunt readers wont want to miss.
